

Annex II

Country: Eritrea					
Equipment/tools	Unit	Quan.	Unit Price (USD)	Total Price (USD)	Remark
Cutting Press (Hydraulic swing arm clicking press, working area mm 900x430, beam mm. 370, 20 tones, automatic and strocke, simplified version)	Pc	1			
Tools					
• Lasting Pincers	Pc	2			
• Scissors (leather Cutting Scissors)	Pc	2			
• Shoe Hammers (SingleFaced Hammers)	Pc	2			
• Shoe Hammers (Double Faced Hammers)	Pc	1			
• General Purpose Knives with holder	Pc	2			
• Compass (Divider)	Pc	2			
• Rotary Punch Pliers (for punching holes in leather)	Pc	1			
Skiving machine: upper leather edge skiving machine, complete with table, clutch motor and exhauster, CE STANDARD	Pc	1			
Cutting Desks	Pc	1			
Flat Bed Machine 1 needle; Complete with table motor 380V 50HZ	Pc	3			
Zigzag machine; Complete with table motor 380V 50HZ	Pc	3			
Post bed machines 1 needle; Small rotary hook. Roll feed at the top and rotary feed at Bottom No automatic functions. Complete with table 106cm stand and clutch motor 380v 50HZ	Pc	3			
Working tables 70x120 h	Pc	3			
Small trolleys	Pc	3			
Lasting pin for insole application	Pc	1			
Roughing machine with aspirator; Heel scouring/lasted bottom roughing machine , two motors, two speeds, extractor and vertical bag collector, pads included, CE STANDARD	Pc	1			
Brushing machine with speed regulator	Pc	1			
Sole pressing machine; Pneumatic Sole pressing machine, Single station Mod: T30/1 to attach walled soles with double membrane	Pc	1			
Glue reactivation machine	Pc	1			

Compressor 500 lt.	Pc	1			
Table for glue application with aspirator, Cementing table with motor extractor	Pc	1			
Equipment's Installation Fee C.I.F and Installation costs and training included					
Shipment expenses by sea, delivery to Asmara included					
Insurance
